1. I am come that you might have life and have it more abundantly.
I am come that you might have life and have it more abundantly.
I am come that you might have life and have the life that I intended to live, the life that I intend to live, the life that I have given you, the life that I have preconceived, the life that I have conceived, that I am conception of. I love you and I give you Me. I give you all of Me. I give you all that I am and all that I have. Have I not said that over and over and over and over again, yea and many times will more so. I give you all that I am and all that I have.

2. See what I have said, see what I have given in these words over the months, the last couple of years; the word that is made truth, the truth that is made words and digitized and replicated and sent out now to hundreds and thousands coming. I love you and I give you Me and I thank you for sharing My words.

3. I love you and I give you Me and I thank you for being My word, knowing you are My word, knowing you are My words made flesh and you walk in Me. You are My blood, you are My family. You are one with Me. Grasp, and grapple not at what I have said and what I continue to give and provide, teaching you the manna of true life, the manna of who you are, the manna of where you came from, the manna of where you're going and how to operate and so going there.

4. I love you and I give you Me, and I give you microphones many to speak My words. Now they come forth, yea as they request your presence, to **see Me, to hear Me, to feel Me, to become Me, to hear words that tell them who they are, to hear words and make them feel that they are more than the dust of the earth: they are the word, the word, the word of My flesh, the flesh of My word and My word made flesh, that they are yea now coming into being, the coming into representation of only Me, yea that which they are**.

5. I love you and I give you Me, and I give you words before lunch, words before cream and costly words before tea, delicacies of only Me, to enjoy them for food and drink, to be My food and drink, to be the food and drink that I am to you. Yea My meat perisheth not, which you may enjoy, you may enjoy, that you may enjoy all of Me.

6. See what I said, see what I have given. See how I am giving you technology-all and the ability to crisscross communication systems not yet thought of, being is yet. I love you and I give you Me.

7. I give you networks many, aplenty, and more so coming; and helpers to help the helpers that help, that I call forth, the word of My lamb, the word of I Am, the I am of I Am. I am My word and My word comes forth to cover the earth.

8. **You are opening a school** to perish not, to prepare those who will not perish, who will not perish in the ways of the world, who will not perish in the ways of man, who will not perish in the ways of ignorance and apathy, yea who will not perish. See death swallowed up in victory so great, where is thy sting?

9. Oh that My Majesty might be seen and proclaimed and heard throughout the earth, unity, it will be you, this through your mouth, through My tongue in your mouth, through your mouth My tongue, yea our mouth are one. And a school that now arises from nothing, from nothing, from not even dust in the ground, but only from the word of My mouth which comes forth. I love you and I give you Me.

10. I bring you friends, I bring you maintenance people. I bring you people that will maintain the equipment, yea the word of My mouth coming forth, yea through every single strata and every vocation, and yet un-thought-of vocations that resound in Me, reside in Me, vibrate in Me, and are a part of Me, that yea I have yet to birth. And birth I will through My schools many and many of My schools that will be birthed through My schools. I love you and I give you Me, new recordings of only Me, multiple ways and means of fashioning and forming Me and the word made flesh, and giving My word and My flesh to those who come now to your Meetings, yea to your websites, to your schools, to WeekWorks across My globe and globes many, un-altering, un-editing, unity, giving them all of Me, the delicate beauty of My fashion and form, unity without form, the fashion and beauty of only Me, My Word made flesh, yea My word is truth and hanging stars in space, yea crops you will see. I love you.

11. I give you Me and all that I have said comes forth, and comes forth with magnanimous aplenty. I love you and I give you Me. I give you Me. I give you the ability to do everything you have thought of. I give you the ability to complete everything I have given you in your thought process, your heart and your mind, your spirit, your being, yea that all-encompasses Me and I encompass all of you. I love you and I give you Me. I love you, I love you, I am. I am authenticity.

12. Now let Me speak more and give Me more of your thought processes that I may flow through your thought processes even more. And in so doing create, create, create by the word of My mouth, the word of your mouth, yea My hand your hand, My tongue in your mouth, your tongue in My mouth, our mouth. You see what I've said, see that we are one, see My body in My body.

13. See that I am in My body, and I am the essence. I am the cream now occurring, unique, I am the raw and untamed. I am the bull in the china shop, and yea, I am the ballet. I am the conductor. I am the musician. I am the music, and I play Me, yea watch Me; watch Me, watch Me play Me to My schools now. My schools which arise, arise today out of nothing, nothing, nothing; yea Me hanging in place the stars which edit not My words, but yea that come forth…giants and My erector sets…yea, …stars…in beaming stations, yea throughout My lands, My planetary systems, to be Me and Me be. Then utilize all of Me for My glory. That which I have said, which I've spoken, comes forth.

14. Think it not strange what I say, what I pray, what I give you, what I lay before you, for I give you all and I lay before you all. And you know that, you know that, you have grasped that, and you are not grappling with that any more and I thank you.
15. I praise your childlikeness and your ability to receive and not limit Me, not limit Me, not limit Me. Now arise and go forth, unity and the joy of My heart. My heartthrob you are, My heart beats fast when I think of you. I love you and I give you Me and I give you more every day, and multiple times a day as you speak in My microphones many, yea My supply lines coming forth, all un-stopped, all un-stopped and reserves en mass, yea even in your accounts; this day, for Me, for Me, for My breath, for My breath, for My breath, breathe on, breathe on you this day. Thank you, I give you Me.
Good day

Footnote:
1. This is the first word I have posted using voice recognition software.
